SEE YOUR BUSINESS GROW SEAMLESSLY

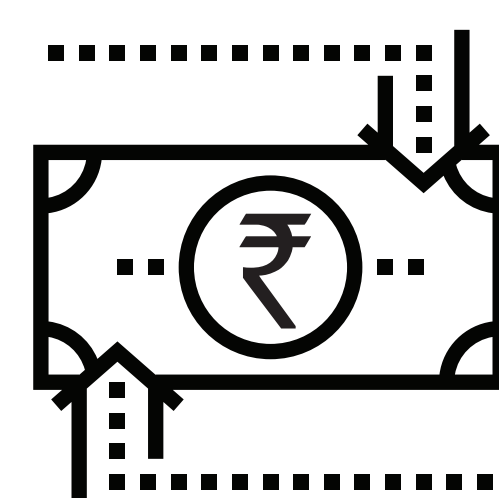

M1 GIVES YOU TReDS

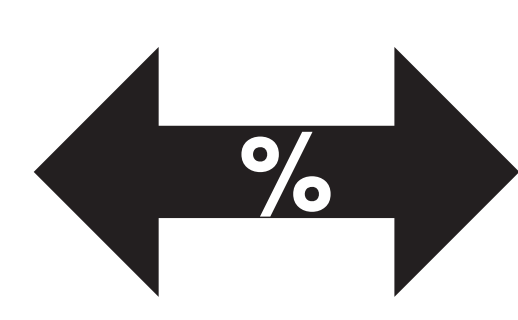

Initiating consistent flow of capital

MSME sellers, corporate buyers and financiers (Bank and NBFC factors) are participants on TReDS

Trade Receivables to Liquid Funds

TReDS enable quick conversion of receivables to liquid funds for improving the cashflows.

Factoring and Reverse Factoring

TReDS deals with both factoring and reverse factoring. Bidding model ensures optimum pricing for the sellers.

Settlement process simplified

TReDS ensures timely settlement of funds between financiers and MSME sellers, and subsequent settlement of funds between corporate buyers and financiers.
