Become An Influencer For The Largest D2C Brands In India

Choose from a range of largest D2C brands

You earn respect as a social influencer

Refer to your social network of friends and family

Your social network gets ethically better products and upgrades to a better life – Thanks to you!

Your social network shops with your unique code and gets great discounts

How does it work

Download the O2O.social app and create an account for your unique influencer code.

Activate your account by buying anything from select brands.

Select products from top D2C brands to offer.

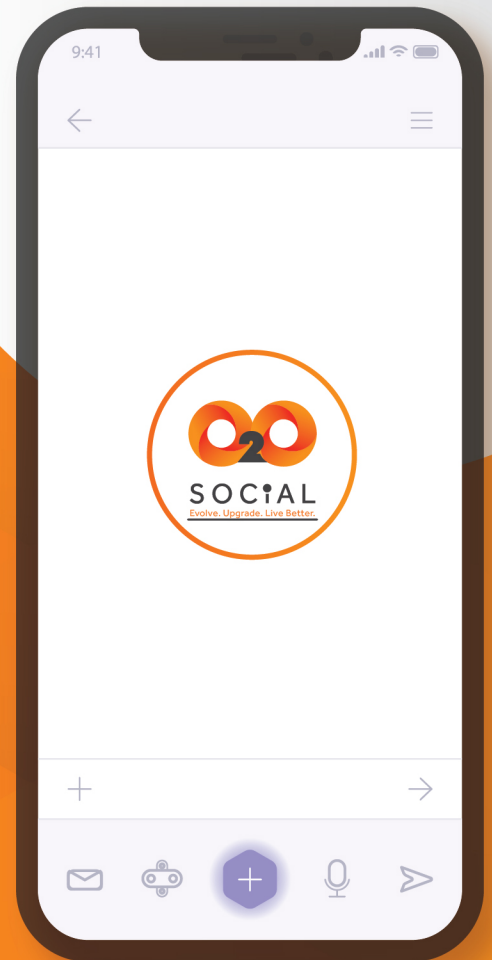

Share the product links with your unique code to your social network.

They get great discounts, and you get juicy commissions.

The brands will take care of the inventory and deliveries.
