# O.P. JINDAL GROUP

“Where Others See Walls, I See Doors”

A first-generation entrepreneur & industrialist, Shri O.P. Jindal founded the group in 1970. Transforming his vision into reality, the group today is a leading industrial conglomerate with an annual turnover of US \$25B\*.

An Indian multinational with a global presence in Steel: Carbon & Stainless Steel, Mining, Power, Industrial Gases, Port Verticals, and Cement.

The Group has grown from an indigenous single-unit steel plant in Hisar, Haryana to the present industrial conglomerate with multiple production facilities around the globe.
